35 Notice to Employers – Tax Services.
 We will provide the tax services agreed upon at the time the policy was sold. Please contact the Claims Department if you have any questions regarding the specific Tax Services provided by Symetra.

Symetra LTD Tax Services: Our standard services include issuing checks to the claimants in arrears, withholding employee taxes if the benefit is taxable, paying the employer matching FICA, and preparing W-2s.

Symetra STD Tax Services: Our standard services include issuing checks to the claimants and withholding employee taxes if the benefit is taxable. If the employer group is responsible, they should remember to match FICA taxes and prepare the W2's when an employee receives a disability benefit.

FICA taxes are applicable only for the first six calendar months from the last day worked and only if the benefit is taxable. The benefit is taxable if the employer paid all the premium or if the claimant paid the premium with pre-tax or grossed up dollars (considered employer paid). If the claimant paid all the premiums with post-tax dollars, then the benefit is non-taxable. If the premium payments are shared, then the benefit is taxable for the percentage that the employer paid the premium. FICA withholding is mandatory on all portions of the benefit paid with a pre-tax premium.
